# SICK AND MATERNITY/ PATERNITY LEAVE BANK

## Sick and Maternity/Paternity Leave Bank

The Washington Teachers' Union (WTU) encourages members to contribute eight hours of leave each school year to join the WTU Sick Leave Bank and the WTU Maternity/Paternity Leave Bank. These services provide temporary assistance to members affected by a major, unexpected illness or incapacitation, and to members who are expecting, adopting, or becoming legal guardians of a child.

Once enrolled, members will be automatically re-enrolled each year. Members DO NOT need to re-enroll every year. Bank participation and enrollment automatically rolls into the next year unless a member decides to cancel enrollment, which can only occur during the yearly WTU Benefits Open Enrollment period.

### How it Works

- ❑ Enrollment for current WTU members occurs during open enrollment season every July for Maternity/Paternity Bank and Sick Leave Bank. New hires must enroll within 30 calendar days of their date of hire.
- ❑ Prospective members, who do not join during the 30-day open enrollment period, will not be able to join until the following annual open enrollment period.
- ❑ Full paid leave will be granted to qualifying applicants at a minimum of 5 days and a maximum of 30 days per school year.
- ❑ New members may NOT submit applications to use the Bank until after the first 3 months of enrollment.
- ❑ Members must first exhaust all available sick and annual leave to qualify for a Bank disbursement.
- ❑ Applications for leave must include a statement from a physician and an approved DCPS Request for Leave or Approved Absence form signed by the school principal or immediate supervisor.
- ❑ Each Bank may be used only once per school year.
- ❑ WTU Maternity/Paternity Leave Bank members are also encouraged to join the WTU Sick Leave Bank. Prenatal incapacities are **NOT ELIGIBLE** for the WTU Maternity/Paternity Leave Bank. However, members who are enrolled in the WTU Sick Leave Bank may be able to receive leave from this Bank.

# COMMITTEE ON POLITICAL EDUCATION (COPE)

## **COPE. (Committee on Political Education)**

COPE - The Committee on Political Education - is the political action committee for the Washington Teachers' Union. COPE enables WTU to engage the membership in both creating our political agenda and in making meaningful financial contributions to support candidates who will champion our legislative agenda.

We have several goals that we strive to accomplish:

1. Communicate our memberships' priorities to those running for office and elected officials
2. Find out which candidates will work with us to support our students, schools and communities
3. Facilitate an inclusive endorsement process that is open to all our WTU members for the final decision
4. Empower WTU members to get involved in government and community decision-making
5. Hold elected leaders accountable for their promises and policies

C.O.P.E. is made up and run by WTU members. To keep COPE strong and competitive, a payroll deduction of \$1 or more will make you an active member. The WTU is not allowed to spend your union dues in politics. Every COPE contribution is used to support candidates, get involved in community engagement, get out the vote, and enrich our political status in the Washington metropolitan area.

### **Becoming a Member:**

To keep COPE strong and competitive, a voluntary payroll deduction of \$1 or more will make you an active member.

By becoming a member of COPE, you can be involved in a highly active WTU Committee. Below are just a few of the opportunities you get from being a member

- You can VOTE on all our actions, including recommendations for endorsement
- You can attend regular small group and whole group meetings where your voice will be heard
- Get informed through our regular emails on upcoming events, opportunities, and further actions
- Take on a leadership role within the WTU
- Inform the direction of our committee

### **COPE Standing Meeting:**

**1st Monday of the Month, 5:30PM at WTU Headquarters**

### **Why Join COPE:**

No one is in a better position to advocate for our students, schools and communities than WTU members. We are the ones who face our students every day. We are the ones who have **the most** direct connections to parents. We are the ones who have a deep understanding of how to educate. We are the ones who see how our government's policies can either help us or hurt us.

We need your voice. We need your active support.

By joining COPE, you are showing our government that you care about our schools and communities, and that you will hold our government accountable to them. If you join you will receive updates about upcoming opportunities to engage in the process and can play an integral part of rebuilding our systems and membership.

**Visit [www.wtulocal6.org](http://www.wtulocal6.org) for your COPE application.**
